

Joint support, made easy.

Active Constituent:
200mg/30mL HYALURONIC ACID (MW 1-1.25 million daltons)

EASIFLEX™ HA delivers high-strength hyaluronic acid in a palatable apple/strawberry liquid that's easy to feed and easy to recommend.

EASIFLEX™ HA helps support **healthy joint function and mobility**, making it an ideal daily supplement for performance horses, racehorses, ageing horses, and those in regular work.

With a **high-strength dose of premium hyaluronic acid**, **EASIFLEX™ HA** is designed for easy feeding and consistent results, giving horse owners a simple way to support their horse's comfort and movement.

Stock **EASIFLEX™ HA** and help your customers keep their horses moving freely.

EASIFLEX™ HA

Helps support joint function & your horse's mobility
