

Every Ingredient Matters®

At Black Hawk, everything we do is about naturally nourishing our pets from the inside out.

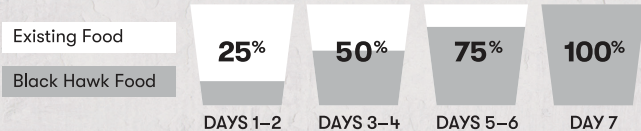

Every ingredient that goes into our recipes has a nutritional purpose, so you'll never find wheat, corn, soy, artificial preservatives, colours or flavours in Black Hawk.

Black Hawk Mature dry food is proudly made in Parkes NSW. Everything we do is about nourishing our dogs from the inside out to keep our pets living happy and healthy lives.

How to transition to the new Black Hawk Original Mature food

When changing foods, it is important to do so gradually, over a one week period so your dog gets used to new flavours and textures.

Original range for all life stages

ADULT RANGE	MATURE RANGE (7+ YEARS)
Skin and Coat Support through Vitamin E, Omega 3/6 and Zinc	Higher Omega 3 from fish oil compared to Original Range

Dogs have different nutritional needs at every stage of life. It's why we've created the **Black Hawk Original Mature** range to deliver nutritional support and enhanced wellbeing for dogs around aged 7+.

NEW Original Mature Dog

is specifically formulated to support healthy ageing, with probiotics for total gut health support, plus L-carnitine to help support lean muscle mass.

Mature Chicken & Rice

Containing a range of ingredients to support healthy ageing, including real Australian chicken for strong muscles, healthy bones and vitality; chicory root, a natural prebiotic for intestinal health; blueberries and cranberries, which may help immunity and natural defenses; and green-lipped mussels which may support healthy joints.

Available in 3kg & 20kg bags.

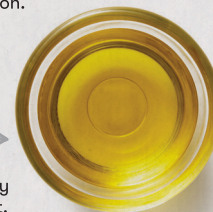

Total gut health

Healthy body weight

Sweet potato
may support digestive health and nutrient absorption.

Fish oil
for healthy skin, a shiny coat and joint support.
