

Welcome to the family!

Pure Nutrition. Premium Care.

Thank you for choosing
our **Calm Topper**.

Your dog deserves more than just food—
they deserve targeted nutrition that
**soothes stress, promotes emotional
balance and helps them feel relaxed**
in everyday situations.

On the following page, the guide will
show you what changes you may notice
over the **next four weeks** as your dog
absorbs the calming benefits
of this functional topper.

How to feed your dog topper

1 Feed a
nutrient dense
high-quality
food.

2 Shake the topper
to evenly
distribute
functional
ingredients.

3 Pour one
tablespoon of
topper liquid
for every cup of
dry food onto
your dog's meal
once daily.

4 Tasty: The most
palatable nutrient
dense diet that
supports a healthy
gut micro biome &
overall health.

Calm

REAL CHICKEN
