SOLUTIONS

NAS JOINT SUPPLEMENTS

- Provide anti-inflammatory support through EPA & DHA from the salmon oil.
- Supports cartilage, ligaments & connective tissue nourishment.
- Adds herbal support during stiffness, strain, or recovery, especially for pets that may struggle with active discomfort, post-surgery, sports recovery.

DIGESTAVITE PLUS

- Contains natural nutrients and prebiotics to help support overall comfort, including for pets that may struggle with digestion.
- Tasty powder with real liver added for flavour, simple to incorporate into meals.
- Complement your cat or dog's diet with extra vitamins, minerals, and trace elements.

NAS HEALTH ESSENTIAL KIT

- Brings together 5 best-sellers for all-round pet health: Eye Clear, Ear Clear, Itchy Scratch, Dermal Cream and Digestavite Plus.
- Convenient on-the-go wellness pouch.
- Made from safe and natural components.

DENTAL POWDER

- Parsley and decaffeinated green tea extract help naturally neutralise mouth odours, supporting fresher breath.
- Calcium carbonate, activated charcoal and zinc ascorbate provide gentle support for teeth and gums.
- Ascophyllum nodosum seaweed helps reduce the build-up of plaque and tartar.

CALM + RELAX & CALM TABLETS

- L-Tryptophan & L-Theanine from Calm + Relax support relaxation and help your pet feel more at ease in everyday situations.
- Calm tablets help cats and dogs feel more relaxed during stressful situations. Ideal for specific events such as vet visits, grooming, or fireworks.
- Suitable for both cats and dogs

OMEGA 3,6 & 9 SKIN & COAT

- Targeted essential fatty acid (EFA) support for skin barrier function and coat health.
- High-quality omega 3, 6 and 9 blend to help manage dry, itchy or irritated skin associated with EFA imbalance.
- Ideal as a daily nutritional support alongside dermatological treatment plans.

GUT BALANCE PROBIOTIC

- High-strength probiotic blend supports digestive balance and microbiome health.
- Includes natural prebiotics to nourish beneficial gut bacteria.
- Supports overall health including immunity, skin, and nutrient absorption.

CLEAN TREATS THAT FIT INTO EVERYDAY MOMENTS

Australian Owned & Made
Freeze-Dried, Single-Ingredient Treats
Single & Novel Proteins

THE PAW GROCER FREEZE-DRIED AND AIR-DRIED TREATS

- ✓ **Natural & minimally processed** – freeze dried treats are all single-ingredient to keep things clean, simple and full of nutrition.
- ✓ **Make training sessions more rewarding** – Gentle air-drying keeps the flavour, aroma and goodness of real meat. Perfectly sized for quick rewards
- ✓ **Australian-made & trusted** – products pet parents can confidently add to their parent's meals
- ✓ **Novel protein for variety and rotational feeding** – Lean and high in protein, making it a great option for pets that need to maintain a healthy weight or have dietary restrictions
