Animals Like Us RawMix33™ with Grass-Fed Lamb Dog Food

Sizes

2.2lb/1kg

4.4lb/2kg

Product Description Short

A tasty blend of 33% freeze-dried raw New Zealand grass-fed lamb organs and lamb, combined with 67% high protein meat bites. A safe and easy way to add the natural goodness of raw.

Product Description Long

Animals Like Us believe pets make us better people and better nutrition makes better pets. Their recipes are crafted based on what dogs instinctually crave and what science agrees is optimal. Raw.

Your pal is designed by nature to need natural raw protein for energy and strength. Animals Like Us have eliminated the mess and fuss and made it easy to add raw to your dog's diet with their RawMix33™ meals.

Animals Like Us RawMix33™ contains 33% freeze-dried raw New Zealand meat and organs mixed with 67% high protein meat biscuits.

RawMix33™ gives your dog more from their diet. More protein power, more digestion and more taste. Your dog will love it. After all, it is what they are meant to eat.

This chunky raw mix is perfect for dogs of all breeds and life stages*, even the fussiest of pals. Plus you won't find any nasties, like wheat or corn, added hormones and colouring or soy and glycerines in their recipes.

RawMix33™ is made to be enjoyed as a main meal. You can serve this dry or with added water to create a gravy-like juice dogs lap up!

**While we love all puppies, per AAFCO requirements, we are not suitable for puppies that will grow into large or giant breeds (exceeding 30kgs/70lb or more as an adult)*

RawMix33™ Product Information Guide

Features and Benefits

IT'S RAW, MADE EASY! | The easy and safe way to add raw to your dog's diet. RawMix33™ is a tasty blend of 33% freeze dried raw lamb organs and lamb combined with 67% high protein meat bites.

A MORE EXCITING BOWL | Not just a meal, it's an adventure! The natural variety of chunky freeze-dried pieces creates a bowl that's visually exciting – and dogs go nuts for the taste!

YOUR PET'S WELL-BEING IN MIND | Animals Like Us recipes are free from fillers like corn, wheat, and soy, and free from growth hormones and GMOs. You can feel good knowing you're feeding your dog the best.

HIGH QUALITY INGREDIENTS | Made with premium raw, New Zealand meat and organs from our local sustainable & ethically managed grass field farms and oceans. Tested to ensure the highest quality and safety standards.

WHY FREEZE-DRIED RAW? | The freeze-drying process gently removes the moisture and locks in the natural nutrition and taste present in fresh, raw food for a minimally processed diet.

COMPLETE AND BALANCED DIET | Formulated to meet AAFCO requirements so you can be confident your pet is getting all their essential proteins, vitamins and minerals*

MADE IN NEW ZEALAND | Animals Like Us was born, and is made, in New Zealand. The fertile soils and mild climate allow for some of the worlds' best natural farming practices; where animals can graze freely on wide open pastures and thrive in clear waters.

Health Condition Dietary

Formulated for all breeds and life stages*. To be enjoyed as a main meal, you can serve this dry or with added water to create a gravy-like juice dogs lap up! Try mixing up meal times with enrichment tools such as a lick mat. Fresh water should always be available with each meal.

**While we love all puppies, per AAFCO requirements, we are not suitable for puppies that will grow into large or giant breeds (exceeding 30kgs/70lb or more as an adult)*
