## Grain Free Food Range

**Information Guide**

# Introducing SavourLife Grain Free Food Range

**SavourLife's Grain Free Food Range** is an all-natural, gluten-free and hypoallergenic food, with 80% of protein sourced from high-quality Australian meat. It's packed with protein, natural superfoods and prebiotics, fibre, Omega 3 & 6, vitamins, minerals and amino acids.

Our Grain Free recipes contain our highest percentage of animal protein and delivers a diet that is both complete and full of flavour whilst being strictly free of artificial flavours, colours and preservatives.

- We have a wide range of Grain Free formulas for every dog no matter the life stage, breed size, protein preference and nutritional need.
- All our Puppy Varieties contain DHA Gold which can assist in neurological and retina development in growing puppies.

Our recipes are all **gluten free** and **hypoallergenic**, and contain **no artificial colours, flavours or preservatives**.

## SavourLife Grain Free Food **Features and Benefits:**

- A premium food with 80% of protein from meat.
- We only use high quality Australian meat.
- Every recipe contains fish oil, a natural and rich source of Omega 3.
- We've added Glucosamine to every recipe which is known to support joint health.
- All SavourLife Grain Free varieties exceed the stringent nutritional requirements set out by AAFCO, the world's leading reference authority for pet food nutrition standards. By exceeding these standards, you can trust that these recipes are complete and balanced, providing puppies and adult dogs with the necessary nutrition at specially tailored levels to grow and maintain a happy and healthy life.

# That's what makes our food great!

**But we are a different kind of company as well!**

We donate 50% of our profits to small pet rescue groups nationwide, helping them save and re-home abandoned dogs.

We're a mission-driven Australian business, with all our dry food range proudly made here in Australia.

Our 'See Who You're Helping' code on every pack links customers to their own rescue dog and we give them updates on their journey to adoption. They can see the difference they are helping us make!

## adopt **a** dog

Adopt-A-Dog provides a simple way for you to search for a dog that fits your home and lifestyle, while at the same time providing rescue groups support for each dog that they list for adoption.

## Thank you for helping rescue dogs!

With your support we've helped over **65,000** dogs in just 10 years by donating over **\$8 MILLION** to dog rescues all around Australia!
