

KAKADU PLUM RESEARCH PROGRAM

Talentail is proud to partner with the University of Melbourne on a research program to further explore the benefits of Kakadu Plum on pets.

Antioxidant

Kakadu Plum has the highest natural Vitamin C content of any food in the world. Vitamin C is a powerful antioxidant that can help boost the immune system and assist in addressing imbalance between free radicals and antioxidants.¹

Anti-inflammatory

Kakadu Plum acts as an antimicrobial agent that has been shown to inhibit triggers of autoimmune inflammatory diseases.²

Superfood

Kakadu Plum is a real superfood. It is rich in many nutrients such as Vitamins C and E, Dietary Fibre, Lutein, Copper, Iron, Zinc, Magnesium and Calcium, which are all essential to daily health.

SUPPORTING OUR BRAVE BUDDIES

At Talentail, we believe that we benefit from nature and we shall contribute to society.

In December 2022, we were fortunate to become a strategic partner of the Australian War Animal Memorial Organisation, supporting injured and retired military and police dogs. Below are just two examples of the amazing service dogs Talentail is proud to be supporting in their retirement.

Please meet little Tikka, born on 17th June 2011. Tikka was trained in 2012 and retired from active service in June 2018 due to a leg injury. Tikka was awarded two medals for his service. Tikka's carer changed his food to Talentail's premium range three months ago and believes that Tikka is much happier now, a lot more energetic, and his stomach issue is even improving.

You can tell from his big smile!

Please meet another hero, Venus. During her long and dedicated career as a Firearm and Explosive Detection Dog (FEDD) with the Queensland Police Service, Venus received great praise for her hard work, and she carried out her duties successfully and with bravery. Venus was involved in security operations for many high-profile events, including Royal visits and the G20 summit.

Thank you Tikka and Venus for your service.

We will continue sharing these heart-warming stories from AWAMO with you through our social media.

Most importantly, we are so honored to be able to support our brave buddies and be part of their retirement life.

Talentail is committed to contributing to our society in the best ways we can.

Pacific Ocean Fish Formula for Adult Dogs

Formulated with 75% Fish and Oils (Blue Mackerel and Hoki Fish, Wild-caught White Fish Meal, Marine Collagen, Premium Fish Oil, Canola Oil), a Broad Range of Fruits and Vegetables (Whole Lentils, Whole Chickpeas, Whole Peas, Potato Protein, Sugar Beet Pulp, Chicory Root Powder, Ground Pumpkin, Dried Sweet Potato, Ground Carrot, Kakadu Plum, and Rosemary Extract), Premium Beef Hydrolysate, Vitamins and Minerals, Green Lipped Mussel, Salt, FOS, Yeast Extract (MOS), Yucca Schidigera Extract, Natural Citric Acid, Natural Acetic Acid, Ground Turmeric.

With high protein and low fat, this is the best option for dogs on a diet, while still meeting daily nutrient requirements.

New Zealand Chicken Formula for Adult Dogs

Formulated with 80% Chicken and Oils (Deboned New Zealand Chicken, Poultry Meal [Dehydrated Chicken and Dehydrated Turkey], Poultry Fat [Chicken Fat and Turkey Fat] and Premium Fish Oil), a Broad Range of Fruits and Vegetables (Whole Lentils, Whole Chickpeas, Tapioca Starch, Potato Protein, Sugar Beet Pulp, Chicory Root Powder, Ground Pumpkin, Dried Sweet Potato, Ground Carrot, Kakadu Plum and Rosemary Extract), Premium Beef Hydrolysate, Vitamins and Minerals, Green Lipped Mussel, Salt, FOS, Yeast Extract (MOS), Yucca Schidigera Extract, Natural Citric Acid, Natural Acetic Acid, Ground Turmeric.

This formula is designed for dogs with a sensitive stomach and is also suitable for gestating and lactating dog.

Pacific Ocean Fish Formula for Puppies

Formulated with 75% Fish and Oils (Blue Mackerel and Hoki Fish, Wild-caught White Fish Meal, Marine Collagen, Premium Fish Oil, Canola Oil), a Broad Range of Fruits and Vegetables (Whole Lentils, Whole Chickpeas, Whole Peas, Potato Protein, Sugar Beet Pulp, Chicory Root Powder, Ground Pumpkin, Dried Sweet Potato, Ground Carrot, Kakadu Plum, and Rosemary Extract), Premium Beef Hydrolysate, Vitamins and Minerals, Green Lipped Mussel, Salt, FOS, Yeast Extract (MOS), Yucca Schidigera Extract, Natural Citric Acid, Natural Acetic Acid, Ground Turmeric.

A nutritionally complete and balanced food to meet your puppy's dietary requirements to support their growth and development.

New Zealand Chicken Formula for Puppies

Formulated with 80% Chicken and Oils (Deboned New Zealand Chicken, Poultry Meal [Dehydrated Chicken and Dehydrated Turkey], Poultry Fat [Chicken Fat and Turkey Fat] and Premium Fish Oil), a Broad Range of Fruits and Vegetables (Whole Lentils, Whole Chickpeas, Tapioca Starch, Potato Protein, Sugar Beet Pulp, Chicory Root Powder, Ground Pumpkin, Dried Sweet Potato, Ground Carrot, Kakadu Plum and Rosemary Extract), Premium Beef Hydrolysate, Vitamins and Minerals, Green Lipped Mussel, Salt, FOS, Yeast Extract (MOS), Yucca Schidigera Extract, Natural Citric Acid, Natural Acetic Acid, Ground Turmeric.

A nutritionally complete and balanced food to meet your puppy's dietary requirements to support their growth and development. This formula is also suitable for gestating and lactating dog.

Pacific Ocean Fish: An excellent source of protein, vitamins and minerals, that are essential for a dog's overall health and wellbeing. Fish is also a good alternative for dogs with food allergies to other meats, such as lamb or beef.

Deboned New Zealand Chicken: Contains very high lean protein, vitamins B3 and B6, phosphorous and selenium, essential for your dog's muscle development, tissue repair and other body functions.

Kakadu Plum Powder: An extremely rich source of vitamin C and natural antioxidants to help support your dog's immune system and natural defences.

Omega-3 & Omega-6 Oils: Help support brain development, regulate blood pressure and maintain immune system functions in dogs through all life stages.

Marine Collagen: The high level of marine collagen in this formula can help to lubricate and protect connective tissues, supporting hip and joint health. This can help improve mobility in dogs, especially those approaching senior years, and can benefit breeds that are prone to joint health issues.

Green Lipped Mussel: Contains vitamins, minerals, amino acids, antioxidants and Omega-3, and is considered a superfood for your pets.

Natural Fibre: A combination of soluble and insoluble fibre that acts as a prebiotic, promoting healthy bacteria in the gut, resulting in firmer stools.

- ✓ **100% Premium Ingredients:** Carefully selected and sourced from Australia and New Zealand to ensure the best quality.
- ✓ **High protein, low fat and low salt.**
