

KAKADU PLUM RESEARCH PROGRAM

Talentail is proud to partner with the University of Melbourne on a research program to further explore the benefits of Kakadu Plum on pets.

Antioxidant

Kakadu Plum has the highest natural Vitamin C content of any food in the world. Vitamin C is a powerful antioxidant that can help boost the immune system and assist in addressing imbalance between free radicals and antioxidants.¹

Anti-inflammatory

Kakadu Plum acts as an antimicrobial agent that has been shown to inhibit triggers of autoimmune inflammatory diseases.²

Superfood

Kakadu Plum is a real superfood. It is rich in many nutrients such as Vitamins C and E, Dietary Fibre, Lutein, Copper, Iron, Zinc, Magnesium and Calcium, which are all essential to daily health.

OUR COMMUNITY SUPPORT

At Talentail, we believe that we benefit from nature and we shall contribute to society.

In December 2022, we were fortunate to become a strategic partner of the Australian War Animal Memorial Organisation, supporting injured and retired military and police dogs. We are honoured to be part of their well-earned retirement and proud to support them in living their best lives.

Australian
War Animal
Memorial
Organisation

Talentail is currently developing an ongoing program with NAAKPA to contribute to the wellbeing of Indigenous communities in Northern Australia. This support will help to further build local businesses, create a more sustainable industry and also contribute to the wellbeing of pets in these communities.

Pacific Ocean Fish Formula for Cats and Kittens

Formulated with 75% Fish and Oils (Whole Blue Mackerel, Wild-caught White Fish Meal, Marine Collagen, Premium Fish Oil, Canola Oil, Premium Fish Hydrolysate), a Broad Range of Fruits and Vegetables (Whole Lentils, Whole Chickpeas, Whole Peas, Potato Protein, Sugar Beet Pulp, Chicory Root Powder, Ground Pumpkin, Dried Sweet Potato, Ground Carrot, Kakadu Plum and Rosemary Extract), Premium Beef Hydrolysate, Vitamins and Minerals, Green Lipped Mussel, Salt, Taurine, FOS, Yeast Extract(MOS), Yucca Schidigera Extract, Natural Citric Acid, Natural Acetic Acid, Ground Turmeric.

Fish provides a great source of protein which may be beneficial to cats with food allergies or other dietary intolerances.

New Zealand Chicken Formula for Cats and Kittens

Formulated with 75% Chicken and Oils (Deboned New Zealand Chicken, Poultry Meal [Dehydrated Chicken and Dehydrated Turkey], Poultry Fat [Chicken Fat and Turkey Fat] and Premium Fish Oil), a Broad Range of Fruits and Vegetables (Whole Lentils, Whole Peas, Potato Protein, Tapioca Starch, Sugar Beet Pulp, Chicory Root Powder, Ground Pumpkin, Dried Sweet Potato, Ground Carrot, Kakadu Plum, and Rosemary Extract), Premium Fish Hydrolysate, Premium Beef Hydrolysate, Vitamins and Minerals, Green Lipped Mussel, Salt, Taurine, FOS, Yeast Extract(MOS), Yucca Schidigera Extract, Natural Citric Acid, Natural Acetic Acid, Ground Turmeric.

This formula is designed for cats with a sensitive stomach and is also suitable for gestating and lactating cat.

Pacific Ocean Fish: An excellent source of protein, vitamins and minerals, that are essential for a cat's overall health and wellbeing. Fish is also a good alternative for cats with food allergies to other meats, such as lamb or beef.

Deboned New Zealand Chicken: Contains very high lean protein, vitamins B3 and B6, phosphorous and selenium, essential for your cat's muscle development, tissue repair and other body functions.

Kakadu Plum Powder: An extremely rich source of Vitamin C and natural antioxidants to help support your cat's immune system and natural defences.

Omega-3 & Omega-6 Oils: Help support brain development, regulate blood pressure and maintain immune system functions in cats through all life stages.

Marine Collagen: The high level of marine collagen in this formula can help to lubricate and protect connective tissues, supporting hip and joint health. This can help improve mobility in cats, especially those approaching senior years, and can benefit breeds that are prone to joint health issues.

Green Lipped Mussel: Contains vitamins, minerals, amino acids, antioxidants and Omega-3, and is considered a superfood for your pets.

Natural Fibre: A combination of soluble and insoluble fibre that acts as a prebiotic and selectively promotes healthy bacteria in the gut, as well as alleviating hairballs and their symptoms.

- ✓ **100% Premium Ingredients:** Carefully selected and sourced from Australia and New Zealand to ensure the best quality.
- ✓ **High protein, low fat and low salt.**
- ✓ **Lifelong Health:** Our Indoor & Outdoor daily feeding guides support your cat's natural activity levels, while ensuring they maintain a healthy body weight.
