KAKADU PLUM RESEARCH PROGRAM

Talentail is proud to partner with the University of Melbourne on a research program to further explore the benefits of Kakadu Plum on pets.

Antioxidant

Kakadu Plum has the highest natural Vitamin C content of any food in the world. Vitamin C is a powerful antioxidant that can help boost the immune system and assist in addressing imbalance between free radicals and antioxidants.¹

Anti-inflammatory

Kakadu Plum acts as an antimicrobial agent that has been shown to inhibit triggers of autoimmune inflammatory diseases.²

Superfood

Kakadu Plum is a real superfood. It is rich in many nutrients such as Vitamins C and E, Dietary Fibre, Lutein, Copper, Iron, Zinc, Magnesium and Calcium, which are all essential to daily health.
