

DOGGY
LICIOUS

5 REASONS YOUR PUP WILL LOVE DOGGYLICIOUS*

***APART FROM THEM TASTING AMAZING**

Doggylicious is a 100% human grade dog treat company founded in 2020 by a dog called Dobby. Dobby was fed up with humans creating the same old treats filled with nasties and made in non-certified overseas factories. With the help of Dobby's human, Doggylicious have created a range of products including functional cookies and doggy butters which can be found in over 800 stores throughout Australia.

DOGGY
BUTTERS

01

ALL OUR PRODUCTS ARE MADE IN A HUMAN GRADE CERTIFIED FOOD FACTORY IN AUSTRALIA

We have one rule, if it is not good enough for our own dogs, we won't make it. The Doggylicious factory is HACCP and Organic certified. These certifications provides assurances that the upmost care is going into every Doggylicious treat at every stage of production and storage.

02

ALL OUR INGREDIENTS COME FROM APPROVED SUPPLIERS

We only buy ingredients that come from fully approved suppliers, this means every ingredient Doggylicious use can be traced back to its original producer. All our ingredients are free from child labour, slave labour and tick the high-quality standards we impose.

COOKIES

03

WE ONLY USE 100% NATURAL INGREDIENTS

Doggylicious will never cut corners on the ingredients we use. You will not find fillers, artificial colours or flavour, nasties, or xylitol in any of our products. You will only find natural ingredients such as organic coconut flour, Australian honey, and real peanut butter.

04

OUR PRODUCTS CAN BE 100% RECYCLED

We care about today's pups and the next generation of pups in Australia. Our Cookie and Doggy Butter packaging is 100% recyclable. We are always looking at ways to improve our sustainability in our factory, packaging, and total food miles.

05

OVER 2000+ POSITIVE ONLINE REVIEWS

We have never had to pay any Doggy influencers to say a positive word about Doggylicious. You can find over 2000+ positive reviews across all our products. All we want to do it create moments of happiness between humans and dogs. Why not give Doggylicious a try today?
